but the crowds learned about it and followed him. He welcomed them and spoke to them about the kingdom of God, and healed those who needed healing.

Caring, Sharing and Multiplication

Late in the afternoon the Twelve came to him and said, “Send the crowd away so they can go to the surrounding villages and countryside and find food and lodging, because we are in a remote place here.”

He replied, “You give them something to eat.” They answered, “We have only five loaves of bread and two fish – unless we go and buy food for all this crowd.” (About five thousand men were there.)

But he said to his disciples, “Have them sit down in groups of about fifty each.”

Then he gave them to the disciples to set before the people. They all ate and were satisfied, and the disciples picked up twelve basketfuls of broken pieces that were left over.
